

# QUALITY AND PRODUCTIVITY SEMINAR 2019

## Achieving Higher Quality with the Use of Productive Materials and Construction Methods

**6 AUGUST 2019  
9AM TO 12.30PM  
BCA ACADEMY**

With rising quality expectations, higher construction cost and tightening of manpower supply, there is a critical need to adopt better practices and strategies for a sustained commitment to quality and performance excellence in quality. The seminar is jointly organised by BCA and REDAS to introduce new and improved materials / methods that lead to higher quality and productivity.
