## **PRESS RELEASE**

### **MEMBERS OF REDAS MANAGEMENT COMMITTEE 2017/2018**

1. At the 57<sup>th</sup> REDAS Annual General Meeting held on 26 January 2017, Mr Augustine Tan was unanimously re-elected by the REDAS Management Committee (MC) as President of REDAS for the term 2017/2018. Mr Tan, 58, is currently Executive Director, Property Sales & Corporate Affairs of Far East Organization.
2. Mr Tan is honoured to be re-elected and appreciates the strong support from the members. He said, "I would like to thank my fellow MC members for their dedicated service during their term of office. Majority of the team has been re-elected for the new term in 2017/2018. This underscores the confidence of REDAS members in the leadership of the MC team. Their unstinting commitment has contributed significantly to the success of the various initiatives undertaken for REDAS members and the real estate industry at large. We will build on the progress made to advance REDAS' cause to contribute to nation building and realise a stable and sustainable real estate market. It is indeed a privilege to be part of this dynamic team."
3. Mr Tan added, "Developments around the world and in Singapore in recent times have been unsettling and this will continue to impact businesses and employment prospects in 2017 and beyond. Nonetheless, REDAS MC members and our partners have a common goal. In the coming weeks and months, we will continue to take stock, build on foundations laid over the years and look for new ways to improve and adapt, remake and restructure. We will further our collaborative approach established with our public sector partners and engage in constructive dialogues to address opportunities and challenges, and seek win-win outcomes together."
4. As REDAS commemorates its 57 years as the representative body spearheading the advancement of the real estate industry and its contribution to Singapore's development as a global city of distinction, Mr Tan looks forward to the continued strong support from all REDAS members, Patrons, Honorary Advisors and members of the various sub-committees who have worked hard driving the many new initiatives and bringing them to fruition.
