Dear Members & Friends

Participate in the National Steps Challenge Corporate Challenge

1. **2019 is REDAS 60th Anniversary**. In celebration of our Diamond Jubilee, a series of events will be organised to commemorate this significant milestone and we endeavour to engage all REDAS Members in this Diamond Jubilee Celebration.
2. Drawing synergies from our various partners, the celebration will encompass connections and collaboration, bonding activities, charity project as well as health & wellness program.
3. To start off, REDAS is partnering with the Health Promotion Board (HPB) to bring the National Steps Challenge Corporate Challenge (NSCCC) to all REDAS members. NSCCC aims at rallying employees to sit less, move more and represent their organisations to compete with each other by clocking as many steps as possible.
4. We will like to invite all REDAS member-companies to participate in the NSCCC Season 4 which will be held from 7 January to 21 April 2019.

Registration period for REDAS members is extended to 15 November 2018.

To register, please visit www.stepschallenge.sg/corporate-challenge
