### **AMENDMENTS TO COVID-19 (TEMPORARY MEASURES) (PART 8C RELIEF) REGULATIONS**

- 1 To provide further clarity in the eligible claims and payments by purchasers, the COVID-19 (Temporary Measures) (Part 8C Relief) Regulations have been amended. The key changes are related to the cost of securing alternative accommodation and assessor's fee:
  - a Purchasers of residential properties can claim from the developer the qualifying costs<sup>1</sup> incurred to secure alternative accommodation in a hotel, hostel, serviced apartment, boarding house, lodging house or dormitory during the period of delay. This will give purchasers more options, e.g. those who are faced with a relatively short delay, and therefore cannot secure a lease because of the minimum stay duration, will be able to be reimbursed for alternative accommodation; and
  - b Purchasers will co-pay a fee for applications for a subsequent determination by an assessor on the amount of qualifying costs payable to a purchaser. The fee payable to the assessor is computed based on the total time that the assessor takes to determine the application, at a rate of \$100 per hour or part of an hour and subject to a maximum fee of \$2,400.
- 2 The amendments have been gazetted and are effective with immediate effect. For more details on the relief measures and the processes under Part 8C of the COVID-19 (Temporary Measures) Act, please refer to <https://go.gov.sg/ura-covid-19-relief-measure>.
- 3 If you have any queries relating to the relief measures, you can email to [ura\\_covid19\\_registry@ura.gov.sg](mailto:ura_covid19_registry@ura.gov.sg).

Thank you.

Yours sincerely
