

URA Circular – Revamped E-service for Street and Building Name Applications

5 April 2022

Dear Members,

Revamped E-service for Street and Building Name Applications

The Street and Building Names Board (SBNB) has launched its revamped SBNB e-service. The new e-service aims to improve applicants' experience by making it easier to make the application online.

Some new features for the e-service include:

- a. Improved interface for easier viewing and managing of multiple applications
- b. Interactive map to easily select the street or building to be named
- c. Auto-prompter to instantaneously advise on relevant guidelines based on the proposed name(s)
- d. Auto-retrieval of applicant's particulars via MyInfo

The revamped e-service can be accessed via this [link](#).

SBNB is also collaborating with IRAS to integrate house and unit number applications to create a one-stop portal for street and building naming and address applications. More information on this will be released at a later date.

For feedback or enquiries on this circular, please email to URA_SBNB@ura.gov.sg.

Thank you.

With best regards

Noelle Oh
