

Strata Development Management Training Series

Part 2 - Management of Strata Developments During the 12-month Initial Period

Course Overview

This is Part 2 of a 4-part series online course on the duties and responsibilities of owner developers pursuant to the Building Maintenance and Strata Management Act, and the Building Maintenance & Strata Management Regulations.

Part 2 will provide participants an insight into the duties and responsibilities of owner developers from the operation perspectives during the 12-month Initial Period from the date of constitution of the management corporation. Practical challenges encountered by owner developers will be discussed using case studies.
