

SGBC - REDAS GREEN REAL ESTATE TRENDS CONFERENCE 2022

THE ESG PIVOT

Co-organised by:

THURSDAY, 19 MAY 2022
9:00 AM - 5:00 PM (SGT)
VIRTUAL FORMAT

Environmental, social and governance (ESG) criteria are increasingly employed to guide green plans and help organisations navigate the unprecedented onus on sustainability. With investors ramping up their emphasis on ESG factors, meaningfully and effectively harnessing these sustainable metrics will generate immense value for real estate players.

At the SGBC-REDAS Green Real Estate Trends Conference 2022, learn more about emerging global trends, developments as well as drivers and draw down actionable knowledge to transform your real estate development and management.
