

BCA Circular

10 March 2021

Dear Members,

Amendments To The COVID-Safe Transport Requirements

In consideration of the current low number of COVID-19 cases amongst workers and feedback of the additional costs required to provide dedicated transport for workers residing in accommodation outside dormitories, **BCA will allow, with immediate effect, the following :**

- a) **S-Pass holders residing in non-dormitories accommodation to take public transport; and**
- b) **Foreign workers residing in the same accommodation to travel in the same vehicle to / from multiple sites in a single trip.**

Please refer to the attachment for more details as well as a summary of the updated Safe Transportation requirement.
